# Elliott 6m sailboats

This 12-boat fleet of pristine and identically matched Elliott 6m's has been used in just three events, including the 2012 Olympics. The boats have been dry-sailed and professionally maintained.

The Elliott 6m is an ideal boat for a match racing, youth racing or club training fleet.

The fleet is available for a bulk sale with a complete set of spares and containers or boats can be purchased individually.
